

DIARY of a Senior Class

NCC Panther Print: Senior Edition 2020

Quarantine Life

Monday, Maypril 120th

First of all, let me get something straight: This is a Senior JOURNAL, not a diary. We specifically told Mrs. Chaltrow not to make an issue that said Diary on it. The last thing we need is some jerk to catch us carrying this around and get the wrong idea... Wait, who am I kidding? There won't be anyone to see us at all... We're in QUARANTINE! It has been a long, boring quarantine. Covid-19 has come to America and is showing no signs of stopping anytime soon. We are beginning to lose our sanity, missing our friends and the good times we once had. Being trapped inside with only our parents, siblings and pets is making it even worse! Losing hope is the last thing we need! It will have to come to an end soon, right? This staying inside is getting pretty lame.

Members of the Class of 2020 will be attending several different prestigious colleges and universities this Fall. Congratulations Panthers and good luck in all your future endeavors!

May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand.

Although times may be tough right now, graduation is almost here. This makes now a great time to look at what the seniors have chosen to represent their class. The 2020 class flower is a Red Geranium. Our class colors are neon blue and black. Our class motto is "I know not what the future holds, but I know who holds it." - Homer. This quote can definitely be applied to today when the future seems so uncertain.

The 2020 class Saint is Saint Teresa of Calcutta. Obviously, Mother Teresa is a very well known person, but in summary, she is most remembered for her work in schools, work as a missionary, and acts of charity. Finally, This year's graduating seniors choose Jeremiah 29:11 for their class bible verse. "For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future." These words can not only help the seniors during these times but all of us as we put our trust in God.

Top 5 Worst 5

Top 5 things about the Senior class...

1. The seniors were one of the friendliest groups that have come through Nouvel in recent years.
2. The senior class was always willing to help, by sacrificing time or resources.
3. The seniors were one of the better leading classes, on and off the playing fields.
4. The seniors were always willing to give a ride.
5. The seniors were so awesome that their last marking period of high school was canceled.

Worst 5 things about the Senior class...

1. Always late to class- As soon as that bell rang, the majority of the senior class was still in the hallway.
2. Dress code- Maybe half of their grade would be seen wearing a sweat-shirt everyday.
3. Seniority- This class thought they were the coolest people on the block.
4. Grades- This class might have forgot what it means to turn in homework.
5. Participation- The class barely ever participated whether it was in student sections or the classroom. It seems fitting that they got to end their year staying home!
